For the fulfilling the course requirement, I have made a short video clip on *"PHP Basic"*. This training program has enriched my knowledge on various software such as CamStudio, CourseLab, MovieMaker and AudaCity, and their potential applications in the e-content development. Overall, the course refreshed my knowledge and I am thanking the Vice Chancellor, AAU, Anand, The Director of Research, AAU, Anand and Principal & Dean, CAIT, AAU, Anand for giving permission to attain this course.
